### We provide rods/reels/lines, flies, and terminal tackle for our river trips.

If you wish to bring your own rod, a 9' to 10' four or five weight is perfect for these waters.

Euro Nymph Rods are popular on our rivers and a 10' or 10 ½" 3 weight recommended.

For Bull Trout we like a 9' to 10' eight weight, or a seven weight spey rod.

### Waders and Boots with studded soles are important.

Many clients also prefer to use a wading staff to navigate the currents in this section of river.
