

## Walk and Wade Fishing Equipment List for the Upper Deschutes River

### Important to note:

- 1) Please check your booking confirmation for accuracy on date, time and meeting place and let the shop know immediately if there are any errors or discrepancies. (541)549-3474
- 2) If you have any health conditions or allergies your guide will benefit knowing about, please call the shop so we can add that info to our booking notes. Note, all FFP guides are all trained in First Aid and CPR and can administer an epinephrine pin if you bring your own.
- 3) Refer to the trip cancellation policies if you might need to cancel or reschedule this trip.
- 4) Lunch and drinks are provided on all full day trips. On half day trips please bring your own snacks and drinks.
- 5) Guide gratuity is always appreciated. General service guidelines are 20%+ for a good trip.

### + make sure to bring the following items with you:

Rain jacket.

A warm layer like a puffy or sweatshirt.

Reusable water bottle! We do our best to kick plastic and never use single use bottles.

Sunscreen and lip balm.

Polarized Sunglasses with Amber Lenses.

Summer months can have big hatches of mosquitos. Bring repellent.

A valid Oregon fishing license. Purchase at the shop or online at [www.myodfw.com](http://www.myodfw.com)

### We provide rods/reels/lines and flies and terminal tackle for our river trips.

If you wish to bring your own rod, a 8 1/2' to 9' three or four weight is perfect for these waters.

Euro Nymph Rods are popular on our rivers and a 10' or 10 1/2" 3 weight are recommended.

Streamer fishing is done with a 5 or 6 weight rod.

### Waders and Boots with studded soles are important.

Many clients also prefer to use a wading staff to navigate the currents and downed trees in this section of river.

***We offer a rental wader and boot package for \$20. Please let the shop know your height/weight and shoe size and we will have them saved for you.***
